Notice of Weed Control Application

Date of Application: August 20th-21st

Location – Crossings Park

Reason for application – Target weed control in turf grass

Product Manufacturer Name – Fiesta

EPA # 67702-26

Active ingredient : IRON (present as FeHEDTA) 4.43%

CAUTION: Causes slight eye irritation. Avoid contact with eyes, skin, or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, and chewing gum or chewing tobacco. Wear protective eye-wear and waterproof gloves during application or during mixing, loading, and repair/clean-up activities. Avoid breathing vapour or spray mist. Do not re-enter or allow reentry into treated areas until the spray is dried. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Apply only when the potential for drift to areas of human habitation or areas of human activity such as houses, cottages, schools, and recreational areas is minimal. Take into consideration wind speed, wind direction, temperature, application equipment, and sprayer settings.

FIESTA[®]

TURF WEED KILLER

Rainfast in 3 hours

See results in hours

Can re-seed turf 1 day after applying

One gallon of concentrate will treat up to 10000 ft²

Controls Weeds and Moss in turf

People and pets can enter treated area when spray dries

**EPA Reg. No. 67702-26
EPA Est. No. 48498-CA-1**

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

Active Ingredient	By weight
Iron HEDTA (FeHEDTA)	26.52%
Other Ingredients	73.48%
Total	100.00%

ADDITIONAL PRECAUTIONARY STATEMENTS**

NET CONTENTS: 1 GALLON

FIRST AID	
IF IN EYES	-Hold eye open and rinse slowly and gently with water for 15-20 minutes. -Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. -Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. During other times, call the poison control center at 1-800-222-1222.	

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS. CAUTION: Causes slight eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

ENVIRONMENTAL HAZARDS

For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read and follow all applicable directions and precautions on this label before using.

SITES: Lawns, turf (use on rights of way or non-crop areas), golf courses, parks, playgrounds, cemeteries, athletic fields

PESTS: Controls weeds: Bull thistle (*Cirsium vulgare*), Creeping buttercup (*Ranunculus repens*), Dandelion (*Taraxicum officinale*), Moss, Speedwell spp., Persian speedwell (*Veronica persica*), White clover (*Trifolium repens*)
 Suppresses weeds: Black medic (*Medicago lupulina*), English daisy (*Bellis perennis*), Common chickweed* (*Stellaria media*).
 *At high rate only

Application Directions:

Shake well before using. Mix one part FIESTA TURF WEED KILLER with 24 parts water (5 oz. in 1 gallon of water). Apply the mixed solution at a rate of 5-10 gallons/1000 ft² (5.6 -11.5 fluid oz./yard²). Any standard hand-held or backpack sprayer can be used. Thoroughly spray weeds. Use a coarse nozzle setting to reduce drift. Uniform coverage is important. Repeat treatment in 3 to 4 weeks for best results.

What will I see? Works quickly; dying weeds will be seen within hours of application. Treated weeds and moss will turn brown or black. Occasionally a darkening of the grass leaf blades can occur after treatment; however the grass will recover within a few days to weeks. May stain thatch (dead grass under turf); this does not affect the health of the grass.

Use Precautions: Do not apply to drought stressed grass; ensure turf is well watered prior to application. Do not apply when the daytime temperature will exceed 85°F. Do not apply to bentgrass. If unsure of grass sensitivity, test spray a small area of the turf. Do not apply to newly seeded areas prior to grass seed germination. Avoid spraying desirable plants. Any desirable plants or structures accidentally contacted should be rinsed with water. To avoid staining, wait until treated area dries before re-entry. Do not apply if rainfall is expected within 3 hours of application. Do not irrigate within 3 hours of application. Do not apply to the same area more than 4 times a year.

NOTICE TO BUYER

Seller warrants that this product conforms to the chemical description on this label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks described above, when used in accordance with the Directions for Use under normal conditions. To the extent consistent with applicable law, this warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to Seller. To the extent consistent with applicable law, the Seller shall not be liable for any such use. To the extent consistent with applicable law, the Seller makes no other warranties, either expressed or implied.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a secure place, away from open fire or flame. Keep container closed and reseal after use. If spilled, use absorbent materials and dispose of in an approved manner.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container 1/4 full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Offer for recycling, if available.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS. CAUTION: Causes slight eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.
